Terminal Disclaimer

The terminal disclaimer filed on January 18, 2007 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of the patent term of U.S. Patent # 7,005,462 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

Applicant has complied with the Examiner's suggestion as to how to overcome the prior art rejection of claims 13-15 hence these rejections are hereby withdrawn.

All matters of record concerning the patentability of the present claims have been suitably addressed. Inasmuch as an updated survey of the prior art did not yield a reference more germane than those already cited, claims 1-3 and 5-15 are deemed allowable.

As an aside, Applicant is advised that the Examiner has interpreted the limitation "at least two fiber fillers" as meaning two *different* fiber fillers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
